FIRST GAME SHOULD BE LIVELY AFFAIR

Ben Comrada Hopes to Start Basketball Season with Win Over Riis

In the opening games of the Marine League basketball schedule tomorrow the Narbonne high (Gauchos) tangle with the Riis high hoopers...

teams, and just mediocre or worse in the C team.

The A and B teams journey to Riis while the C and D teams meet the Riis C and D teams on the Narbonne floor. All games start at 3 o'clock and 15 cents admission is the price of both games to all student body members.

Narbonne has had no real practice games to date, scrimmages with Torrance being the only opposition and little is known of what the teams will do under fire.

NARBONNE EVENING HI WINS AGAIN

Night School Casaba Shooters Ruin Marine Laundry Hopes 93-9

Narbonne's night school basketball team made it five straight wins Monday night when they defeated the Marine Laundry Co. team 93-9.

The laundrymen got a thorough cleaning Monday as they were held to 3 points the first half while Narbonne was making 39. The second half was very similar except that the game became a little rougher.

Tonight Narbonne meets the fast Biynn Lumber team on the local floor in what should be a great game as manager Eddie Archer says he expects to have the boys in good shape.

Bowlers Rolling Up Some High Scores at Monday Games

Tommy McNeil was a bit off his game Monday night, as was shown by the figures on the Two Macks Electric-Clevers Sports game at the American Recreation parlors.

O. Nelson was the high man for the evening with a score of 566 pins in the three frames, his team for single game with a score of 227.

FOR ALL-AMERICAN

Toby Uansa, sensational half-back of the undefeated Pittsburgh "Panther" football team, who has been running riot over all kinds of opposition this season and is regarded as All-American material.

If a tire is torn on the surface, side walls or tread, it should be vulcanized, for if sand or moisture is allowed to come between the side wall and the cord it will increase the size of the hole, causing the wall at that point to be weakened.
